

## WHO WE ARE

Mobility Dogs creates life-changing partnerships between New Zealanders living with disabilities and expertly trained service dogs.

As one of just three organisations in Aotearoa New Zealand accredited by Assistance Dogs International, Mobility Dogs trains mobility, therapy and companion dogs to high international standards

Through these unique partnerships, individuals in our communities gain greater independence, confidence, and companionship.

## WHY MOBILITY DOGS

\*1 in 6 New Zealanders live with the impact of disability every day. Community support enables us to train and place specialist Mobility Dogs with individuals who need them the most.

These highly skilled dogs assist with their everyday tasks such as opening doors, retrieving items, and providing stability, all while offering life-changing companionship and confidence.

## WHAT WE DELIVER

Mobility Dogs provide dogs for a range of sectors such as schools, courts, and in a variety of healthcare and community settings.

Every Mobility Dog placed with a client represents years of training, dedication, and community funding.

**100%** OF MOBILITY DOGS FUNDING COMES FROM THE COMMUNITY

## HOW YOU CAN HELP

Your club has the ability to change lives - and we'd love your support.

Whether it's inviting us to give a virtual talk, or sharing who we are and what we do with members and the wider community, every little bit helps.

We are happy to provide any additional information, and if you have other ideas for supporting Mobility Dogs, we'd love to explore those opportunities.
